TOPNOTCH TRAIL SYSTEM LIABILITY RELEASE AGREEMENT

I understand that cross-country skiing and ice skating both contain inherent risks which cannot be eliminated by a ski touring center. I understand that injuries are a common and ordinary occurrence of the sport and I freely assume those risks.

This assumption of risk includes but is not limited to death, injury, or damage resulting from variations in terrain, snow or ice conditions, bare spots, rocks, trees or other forms of forest growth or debris, fences, poor visibility and trail maintenance equipment.

I acknowledge and agree that I will ski and skate under control at all times, know and respect the limitations of my physical capabilities, ski only on marked and open trails, and heed all posted directional and warning signs.

I acknowledge that trail conditions vary and are often subject to fast changes due to weather, skier traffic and other factors.

I hereby release the ski touring center and its owners, agents, and employees from any and all liability for damage and injury to myself or to any person or property resulting from my use of the ski touring center facilities and its trail system.
